

Interior Design

Drafting Interiors

INTER 1110 - 3 Credits

Introductory interior design course covering 2D architectural drafting and related graphic conventions. Course content also includes concept development and presentation techniques. (2 lecture hours, 2 lab hours)

Sustainable Design I

INTER 1125 - 3 Credits

Introduction to sustainable design as a foundation for interior design applications. Content includes vocabulary, design methods, local and national resources, professional organizations and governmental Leadership in Energy and Environmental Design (LEED) standards. (2 lecture hours, 2 lab hours)

Visualization Techniques

INTER 1135 - 3 Credits

Graphic visualizations including one and two point perspectives, and sketching techniques with an emphasis on concept development. Project visualizations are then enhanced with application of color, using marker for color studies and digital methods for photo-realistic renderings. Prerequisite: Course requires Reading Placement Test Score-Category Three. Interior Design 1110 with a grade of C or better or equivalent or consent of instructor. (2 lecture hour, 2 lab hours)

Architecture and Design History I

INTER 1151 - 3 Credits

Historical review of architecture and decorative arts from ancient cultures through the Hispanic Renaissance. Includes selected vocabulary, classical forms, use of ornament, colors, motifs and furniture styles. Prerequisite: Course requires Reading Placement Test Score-Category Three (3 lecture hours)

Architecture and Design History II

INTER 1152 - 3 Credits

Historical review of architecture and decorative arts from the French Renaissance through the 21st century. Includes selected vocabulary, classical forms, use of ornament, colors, motifs and furniture styles. Prerequisite: Interior Design 1151 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (3 lecture hours)

Architecture and Design History: Non-Wes

INTER 1153 - 3 Credits

Survey of non-Western architecture history, styles and decorative arts. Emphasis on cultural design concepts, furniture motifs, color applications and vocabulary. Prerequisite: Course requires Reading Placement Test Score-Category Three (3 lecture hours)

Environmental Materials and Applications

INTER 1170 - 3 Credits

Survey course on interior design materials and resources and their application in the built environment, with a focus on sustainable design. Prerequisite: Interior Design 1110 with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Barrier-Free and Life-Safety Codes

INTER 1190 - 3 Credits

Code information and specifications concerning built environment, life-safety issues, barrier-free access, Americans with Disabilities Act (ADA), and universal design requirements applied to residential, contract and office design. Includes current international codes and standards. Prerequisite: Interior Design 1110 or equivalent, or consent of instructor. Course requires Reading Placement Test Score-Category Three (3 lecture hours)

Selected Topics

INTER 1821 - 1-3 Credits

Guided study and exploration of subjects not covered by other courses in the discipline. Class offerings may use such resources as recognized experts, lectures, library research, selected readings and/or field trips. This course may be taken four times for credit if different topics are selected or covered. Prerequisite: At least one course in the discipline or consent of instructor. Course requires Reading Placement Test Score-Category Three (1 to 3 lecture hours, 2 to 6 lab hours)

Independent Study

INTER 1840 - 1-4 Credits

Exploration and analysis of topics within the discipline to meet individual student-defined course description, goals, objectives, topical outline and methods of evaluation in coordination with and approved by the instructor. This course may be taken four times for credit as long as different

Interior Design

topics are selected. Prerequisite: Consent of instructor is required. Course requires Reading Placement Test Score-Category Three (1 to 4 lecture hours)

Studio Foundation

INTER 2110 - 3 Credits

Preparatory course for design studio classes. Content includes space planning, universal design principles, design principles/elements, color for interior spaces, and contract drawing set formats for residential and commercial applications. Prerequisite: Interior Design 1110 with a grade of C or better or equivalent or consent of instructor (2 lecture hours, 2 lab hours)

Furniture, Fixtures & Equipment

INTER 2120 - 3 Credits

Overview of furniture, fixtures, and equipment (FF&E) for residential and commercial interior design applications. Course will focus on specification criteria and budgets. Prerequisite: Interior Design 1110 and Interior Design 2110 with a grade of C or better. The course requires Reading Placement Test - Category Three. (2 lecture hours, 2 lab hours)

Computer-Aided Interior Design I

INTER 2211 - 3 Credits

Introduction to computer-aided design and drafting techniques. Course covers two-dimensional drawing and printing for interior design applications. Prerequisite: Interior Design 1110 with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Computer-Aided Interior Design II

INTER 2212 - 3 Credits

Advanced computer-aided drafting, presentation, and modeling techniques. Coursework includes two and three dimensional drafting and graphic project presentations for interior design applications. Prerequisite: Interior Design 2211 with a grade C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Computer-Aided Interior Design III

INTER 2213 - 3 Credits

Computer-aided drafting as a three-dimensional drawing and presentation tool for Interior Design applications. Students will create realistic computer generated 3-D models of interior spaces including materials and lighting. Prerequisite: Interior Design 2212 with a grade of C or better or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Digital Interior Design Presentation

INTER 2214 - 3 Credits

Advanced exploration of computer software to create digital images for interior design presentations. Course utilizes Adobe Photoshop and InDesign (or similar software) in creating projects. Prerequisite: Interior Design 1135 and Interior Design 2212 with a grade of C or better and consent of instructor. (2 lecture hours, 2 lab hours)

Interior Systems and Details

INTER 2220 - 3 Credits

Overview of building systems and construction as applied to interior design projects, including National Kitchen & Bath (NKBA) Standards. Design and drafting of interior architectural details and their integration into the built environment. Prerequisite: Interior Design 1170 with a grade of C or better or equivalent and Interior Design 2211 with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Lighting I

INTER 2311 - 3 Credits

Lighting design fundamentals for natural and artificial light sources. Course will also cover specifications and working drawings for residential and commercial interior lighting applications. Prerequisite: Interior Design 2211 with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Lighting II

INTER 2312 - 3 Credits

Advanced design studio that incorporates residential and commercial lighting environment and technology applications. Prerequisite: Interior Design 2311 or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Interior Design

Residential Design Studio

INTER 2410 - 3 Credits

Design studio course with emphasis on the development and presentation of residential design projects. Prerequisite: Interior Design 1135, Interior Design 2110, Interior Design 2220 and Interior Design 2311; all with a grade of C or better or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Contract Design Studio

INTER 2430 - 3 Credits

Design development studio course with emphasis on retail, restaurant, hospitality, and health care projects. Prerequisite: Interior Design 1135, Interior Design 2110, Interior Design 2220 and Interior Design 2311; all with a grade of C or better or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Office Design Studio

INTER 2440 - 3 Credits

Practice based studio course in sustainable corporate office design. Students implement a project from space planning through contract documents. Prerequisite: Interior Design 1125, Interior Design 1135, Interior Design 1190, Interior Design 2110, Interior Design 2220 and Interior Design 2311; all with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Senior Design Studio

INTER 2450 - 3 Credits

Capstone course of advanced research and analysis of selected projects utilizing reality based end-user interior environment program requirements which emphasize the interrelationship of codes, regulations, standards, material specifications, and sustainable interior applications and design solutions. Prerequisite: Interior Design 2532 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three. (2 lecture hours, 2 lab hours)

Kitchen and Bath Design I

INTER 2511 - 3 Credits

Design studio projects that incorporate National Kitchen and Bath Association (NKBA) standards. Prerequisite: Interior Design 2410 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Kitchen and Bath Design II

INTER 2512 - 3 Credits

Advanced kitchen and bath design skills, market trends, special populations, professional ethics, and technology applications as endorsed by the National Kitchen and Bath Association (NKBA). Prerequisite: Interior Design 2511 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Kitchen and Bath Computer Applications

INTER 2515 - 3 Credits

Introduction to industry-standard computer software for design and drafting techniques and commands to create kitchen and bath design production drawings. Prerequisite: Interior Design 2211 or equivalent and Interior Design 2511 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Furniture Design

INTER 2520 - 3 Credits

Furniture design theory, construction joinery methods, materials and specifications applied to detail drawings and/or models. Prerequisite: Interior Design 1110 or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Green Interiors II

INTER 2532 - 3 Credits

Advanced exploration of sustainable and green design interior solutions. Emphasis is placed on application of Leadership in Energy and Environmental Design (LEED) professional standards and other recognized methods and practices. Prerequisite: Interior Design 2531 with a grade of C or better, or equivalent or consent of instructor. (2 lecture hours, 2 lab hours)

Professional Practice and Ethics

INTER 2680 - 3 Credits

Pre-graduation course to prepare students for professional interior design employment. Business practices, ethics, regulations, organizations, and professional testing will be covered. Completion of Interior Design 2440 is recommended prior to enrollment. Prerequisite: Interior Design 2410 and Interior Design 2430 with a grade of C or better or equivalent or consent of instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hour, 2 lab hours)

Interior Design

Portfolio Review

INTER 2710 - 1 Credits

Capstone course to refine a student's portfolio of work for printed and media applications. Prerequisite: Interior Design 2410 and Interior Design 2430 with a grade of C or better or equivalent or consent instructor. Course requires Reading Placement Test Score-Category Three (2 lecture hours, 2 lab hours)

Advanced Selected Topics

INTER 2821 - 1-3 Credits

Advanced exploration and analysis of selected topics with a specific theme indicated by course title listed in college course schedule. Topics for this course are geared for graduates or design professionals seeking professional development opportunities. This course may be taken four times for credit as long as different topics are selected. (1 to 3 lecture hours, 2 to 6 lab hours)

Internship (Career & Technical Ed)

INTER 2860 - 1-4 Credits

Course requires participation in Career and Technical Education work experience with onsite supervision. Internship learning objectives are developed by student and faculty member, with approval of employer, to provide appropriate work-based learning experiences. Credit is earned by working a minimum of 75 clock hours per semester credit hour, up to a maximum of four credits. Prerequisite: 2.0 cumulative grade point average; 12 semester credits earned in a related field of study; students work with Career Services staff to obtain approval of the internship by the Associate Dean from the academic discipline where the student is planning to earn credit.

Internship Advanced (Career & Tech Ed)

INTER 2865 - 1-4 Credits

Continuation of Internship (Career and Technical Education). Course requires participation in Career & Technical Education work experience with onsite supervision. Internship learning objectives are developed by student and faculty member, with approval of employer, to provide appropriate work-based learning experiences. Credit is earned by working a minimum of 75 clock hours per semester credit hour, up to a maximum of four credits. Prerequisite: 2.0 cumulative grade point average; 12 semester credits earned in a related field of study; students work with Career Services staff to obtain approval of the internship by the Associate Dean from the academic discipline where the student is planning to earn credit.

Internship (Transfer)

INTER 2870 - 1-4 Credits

Course requires participation in work experience with onsite supervision. Internship learning objectives are developed by student and faculty member, with approval of employer, to provide appropriate work-based learning experiences. Credit is earned by working a minimum of 75 clock hours per semester credit hour, up to a maximum of four credits. Prerequisite: 2.0 cumulative grade point average; 12 semester credits earned in a related field of study; students work with Career Services staff to obtain approval of the internship by the Associate Dean from the academic discipline where the student is planning to earn credit.

Internship-Advanced (Transfer)

INTER 2871 - 1-4 Credits

Continuation of Internship (Transfer). Course requires participation in work experience with onsite supervision. Internship learning objectives are developed by student and faculty member, with approval of employer, to provide appropriate work-based learning experiences. Credit is earned by working a minimum of 75 clock hours per semester credit hour, up to a maximum of four credits. Prerequisite: 2.0 cumulative grade point average; 12 semester credits earned in a related field of study; students work with Career Services staff to obtain approval of the internship by the Associate Dean from the academic discipline where the student is planning to earn credit.
